ASTON MARTIN DB12

The FERRARI 812GTS is everything a Ferrari should be. It's painfully gorgeous and upholstered with the finest Italian leather, but those details are just a warmup for the naturally aspirated, 789-hp V-12 engine. Comically fast, the front-mounted V-12 sings the maker's siren song as conducted by the driver's right foot whenever the mood strikes

Starting at **$566,355**
